## The Simplest Toddler Sweater

By: Lorene Haythorn Eppolite from [Cre8tion Crochet](#)

Get your toddler ready for the fall season and a new school year with The Simplest Toddler Sweater. This crochet design was made with simplicity in mind. A few different crochet stitches are used in this crochet sweater pattern, which is great for practicing your skills. You can work it up in stripes or use solid crochet colors, but the hood and buttons up the front are what really completes this pattern. Made for both boys and girls, your little one can be super stylish this season.

### Materials:

- Worsted Weight Yarn
  - Model is stitched with 2 skeins of Red Heart's With Love
  - CA: Grey; CB: Pink; CC: Blue; CD: Purple; CE: Green
- Crochet Hook (I/9 or 5.5 mm)
- Embroidery Needle

**Skill Level:** Easy

### Finished Size:

Neck to waist- 13.5"

Side to side- 13"

Total sleeve length- 13"

Sleeve length from armpit to cuff- 8"

Neck opening- 7" wide or 14" in diameter

Total wingspan- 30"

### Notes:

**1.** The ch3 will count as your 1st dc in each row, the next dc should be placed in the 2nd st.

Except for the hood, where the ch3 will still count as the 1st dc BUT you will place the next dc in the same st, this is specified in the pattern as well.

**2.** You can do color changes any way that works best for you. The useful method: Begin last dc

in each row. After the first yarn over and pull through you will have two loops remaining on hook, pull up new color and draw through last two remaining loops on hook. Tie tails tightly.

**3.** There are two parts of the directions that require that you place stitch markers. This is so that you can properly line up the hood and the button holes. It is recommended that you use yarn of an alternate color to mark these rows. You may want to use two different colors for the two different places where you need to mark.

**4.** The sleeves are written using a seamless method.

### **Special Stitches:**

**fdc-** foundation double crochet

Chain 3 (counts as 1st fdc). Yarn over and insert hook in 3rd chain from hook. \*Yarn over and pull up loop (3 loops on hook), yarn over and pull through 1 loop creating a sl st, (this is an important step but easy to forget). Yarn over again and pull through first two loops on hook (two loops remaining). Yarn over again and pull through last two loops on hook. This completes the second fdc (remember your 1st ch3 counted as the 1st fdc). To stitch the next fdc, yarn over and insert the hook into the sl st made in the 2nd fdc and repeat from \*

**dc2tog-** double crochet two together

yarn over, insert hook into 1st st, yarn over and pull through st, (three loops on hook), insert hook in next st, yarn over, pull through, (four loops on hook), yarn over, pull through first two loops on hook, yarn over again and pull through last two loops on hook

Place stitch markers in a bit so that they don't interfere when you stitch the edging.

**Step 19.** The correct side of the sweater should be facing you. Fold hood in half towards the back. Turn entire piece around and line up edges. You can either sl st or whip st to the center fold to close off. Fasten off and weave in tail.

### **Finishing off:**

You can stitch over the tails from color changes when you finish off or you can leave them till the end and weave them in. Weave them in for a neater finished look.

- Where you begin your finishing is very important. Be sure to start in the space you started the hood. Insert your needle in the ridge where the first row of the hood meets the body of the sweater. At the 1st st marker.
- The hood will be stitched around 3x. The body will only be stitched around 2x.
- The 2nd row around the hood will be dc. All other rows will be sc.

**Step 1.** Attach CA and sc around the entire hood (to space evenly place 1sc in the ridge of every row and 1sc in the center of the ch in every row). Place 3sc in corners. Sl st to join row.

**Step 2.** 1hdc in the next st (at the first set of stitch markers) 1dc in every st around the hood. When you get to your stitch markers at rows 3, 6, 9, 12 on either side, and when you get to the top (ridge) of the hood you will dc2tog. 1hdc in the last st of the hood (where you placed your first set of stitch markers). [1sc in the next st. Ch3. 1sc in the next st] to make 1st button hole (this first button hole should line up with the bottom ridge of the CA row, where it meets the CB row) Continue to sc around the body of the sweater placing button holes at the bottom of every CA (grey) row [1sc in the next st. ch3. 1sc in next st] . 3sc in corners. Sl st to join row.

**Step 3.** 1sc in every st around the hood. Where hood meets body of sweater fasten off and weave in ends. Finish weaving in all tails.

**Step 4.** Stitch on buttons to coordinate with the button holes. They should be placed in the ridge on the bottom of where CA meets the next color for added security.

**Step 6.** Use a length of darker brown yarn for the chocolate chips. Thread it in a yarn needle and sew little “x’s or make french knots for the chips.

**Note:** If making a photo prop, you’d make two cookies. Hold them both together, wrong sides facing together and sew the two cookies together, making one double sided cookie!

## Putting it all together:

**Step 1.** Take the black pupils and position on top of the white circles. For best results, align the side of one pupil with the inner edge of the white of eye either towards the top or bottom. Looking at pictures of cookie monster, his eyes are “googly”. If you look at the photos, I’ve got the pupils in opposite positions on the inner side of the white of the eye. I think it makes it cuter! Take your yarn needle and the long tail of the black yarn and sew it onto the white of the eye. Do both eyes.

**Step 2.** Once the eyes are sewn together, position them towards the top of the hat, but not ALL the way at the top. Pin them in place if you need to. I just sort of winged it. Use the long tail of the white yarn and sew the eye onto the hat. Do both eyes.

**Step 3.** Take the mouth and center it below both eyes. Use the long tail of the black yarn and sew it onto the hat.

**Step 4.** Take your cookie. Position it on one bottom corner of the mouth as if it’s being eaten. Use the long tail of tan yarn to sew it to the hat!

Crochet leg warmers like this are easy to work up and will keep her legs warm and stylish. ### Materials:

- Worsted Weight or Sport Weight Yarn
- Crochet Hook (I/9 or 5.5 mm)
- Scissors
- Yarn Needle

### Pattern Notes:

You will need THREE measurements from the person you're making the legwarmers for.

#1: The circumference of the thigh.

#2: The length of the leg.

#3: The circumference of the ankle.

If you don't want to make them to cover an entire leg, take your top, bottom & length measurements accordingly.

### Instructions:

Make 2

#### Top Cuff

CH 9

**Row 1:** turn, skip 1st CH, SC in remaining 8 STS.

**Row 2:** CH 1, turn, SC in BLO across. (8 SC)

REPEAT Row 2 until the STRETCHED cuff equals your #1 measurement (thigh circ.)

Ch 1, turn, SL ST both ends of the cuff together to form a circle.

If you're going to change colors, fasten off... if not, just hold your cuff with right side facing & continue on.

## Leg

**Round 1:** SC in the end of each row of the cuff, join.

**Rounds 2 - 5:** CH 1, HDC in each ST around, join.

REPEAT Round 2, *decreasing* by 1 ST approximately every 2-3 rows until legwarmer is 1-2" shy of your #2 measurement (leg length).

Keep measuring to make sure you haven't decreased too much or too little. You'll need more frequent decreases for smaller legs, fewer decreases for larger legs.

If you're going to change colors again, fasten off... if not, just continue on.

## Bottom Cuff

**Round 1:** CH 1, SC in each ST around, join.

Make sure that this bottom edge is the same as your #3 measurement (ankle circ.) If it's too big, rip out a few rows & do more decreases.

If it's too small, rip out a few rows & do fewer decreases.

REPEAT Round 1 for 1-2", no decreases.

Fasten off.
