Letter from the Editor

Hello, Crocheters!

[Crochet poncho patterns](#) are the perfect fall accessory since they give off this air of comfort and coziness. Plus, they're so easy to layer over anything. They're like an oversized pullover, but since you don't have to worry about shaping or arm holes, they're usually much quicker and easier to work up. Crochet ponchos are so easy to style: throw one on over your head, pair it with some skinny jeans and boots, and you're good to go!

These 10 fabulously cozy crochet poncho patterns feature some adorable crochet poncho patterns for children, so your little one can be as fashionable as you are, and some wonderful adult poncho patterns, all of which are great to wear out this fall. From crochet ponchos worked up with lace motif designs to poncho patterns that are stitched more closely together to form a warmer garment, you'll find your next style piece here. My favorite cozy piece here is the Cozy Cowl Poncho on page 21 – the variegated yarn and subtle cowl neck make this piece fall-ready! If you're looking for some more inspiration, be sure to browse our entire collection of [crochet poncho patterns for both kids and adults](#).

Winsome Crochet Poncho

By: [Candy Lifshes from Meladora's Creations](#)

Crochet your own diagonally striped crochet poncho with the Winsome Crochet Poncho pattern. This intermediate crochet pattern uses clusters of stitches to achieve the unique stitch pattern seen in the photo. This free crochet pattern teaches you how to make this very lovely stitch as well as how to make this crochet poncho for any size.

Skill Level: Easy

Size: Child size

Gauge: Gauge not listed

Materials:

- Worsted weight yarn in three colors, 1 skein each for child size, 2 skeins each for larger sizes
- US size H/8 (5.0 mm) hook
- US size J/10 (6.0 mm) hook

Pattern Notes:

This stitch is done in multiples of 7 + 2.

The size you are aiming for is equal points from shoulder to how far down you want your point to be when worn.

Ch in multiples of 7 until you reach this desired length, then add plus 2 and you're ready to begin.

Pattern:

Using your J hook, chain your foundation chain – read the pattern notes above.

Row 1: Change to H hook, sc in 2nd ch from hook, skip 2 sts and *{ |YO, insert hook into next stitch and pull up a loop| Repeat this 2 more times giving you 7 loops on your hook. YO and pull through only 6 of the loops leaving the last loop alone. With 2 loops on your hook, YO and pull through last 2 loops and ch 1. Working in the SAME stitch, repeat what is in between the {}s.

Working into the very next chain repeat what you just did. Skip 2 sts and sc into the next st. Ch 1 and skip 2 sts * and repeat what's in between the * for the row. End with a sc in last stitch.

Row 2: Change colors here. Ch 3 and dc into first sc of row. * ch 5 and dc, ch 1, dc (V-Stitch) into next sc * repeat for row. You should end with a dc 1, ch 1, dc 1 (V-Stitch) in last sc.

Row 3: Ch 3 and turn, Work your puff stitches as you did for row 2, only working 2 in this 1st V stitch. * dc into the space between the 4 puff stitches below ch 1 and working in the next V stitch, work all 4 puff stitches into this V stitch.

Repeat for row, * dc, ch 1 into next sc, work your 4 puff sts in V stitch * at end of row work only 2 puff sts just like you did at the beginning of the row.

Row 4: Change colors here. Ch 5 and DC, ch 1, DC in next DC, * ch 5 and dc, ch, dc into next dc. * repeat what's in between *s for row. To end row ch 3 and dc in top of ch 3.

Row 5: Ch 3 and work your * 4 puff sts into the V stitch, dc into the space between the 4 puff stitches below, ch 1 * repeat for row. To end row dc into the 3rd ch of the ch 5.

Row 6: Change colors and ch 3 and dc into same st, * ch 5 and dc, ch 1, dc into next dc, * repeat for row. End your row with a V stitch. Repeat rows 3-6 until you reach the length you want.

To find out how many to chain for the smaller piece, take the piece you just made and fold it in half. Then fold it in half again. This is the size you will need to make for your smaller piece.

Each puff shell and the following dc take up the multiple of 7. So 4 puff shells gives 28 sts - don't forget your plus 2 before starting! Chain with your larger hook like before, then switch to your smaller one. Make this piece as many rows as you made your larger piece. Hide all tails.

Then lay out your pieces and fold them both in half and line them up together.

Turn your work with the back side facing you so that your sewing won't show, line up the two pieces and sc them together (or any method of sewing you prefer).

To Make the Neck Hole Smaller:

Row 1: Sc in all sts around for your first row. Sl st in beg st.

Row 2: Ch 1 and sc into the same st, sc in 2 stitches then do a sc dec. Sl st in beg st.

Row 3: Ch 1 and sc into the same st, sc dec, *sc 1, sc dec,* repeat for round. Sl st in beg st.

Row 4: Sc in all sts, sl st in beg st, ch 1 and cut your yarn.

Crochet Poncho Patterns for Adults

The Scarlett Spiral Crochet Poncho is a lovely addition to anyone's crochet wardrobe. Light and airy, this free crochet poncho pattern is customizable to any size! It is worked in the round, and as you crochet you can see the spiral pattern develop before your eyes. Ponchos are great because they are flattering on practically any body type, and this one is no different. You will look and feel like a million bucks every time you wear this Scarlett Spiral Crochet Poncho.

Skill Level: Easy

Size: One size

Gauge: Gauge not critical

Materials:

- Red Heart With Love:
 - Merlot (2 skeins)
- US size K/10.5 (6.5 mm) hook
- Tapestry needle

Pattern Notes:

If you would like to use a different yarn or hook size, you will need to determine the correct number of chains to begin. To determine your number of starting chains, you will need to measure the distance from one shoulder to the other and double that distance. Your starting chain should be that length and follow the multiple of 8 + 1 rule for the beginning chain.

For rows 2-8, the chain 2 does NOT count as an HDC. At the end of each of the first 8 rows, join to the top of the first stitch and continue in the round.

Pattern:

Chain 81, slip stitch to join. Be careful not to twist.

Row 1: Chain 1, sc in the same stitch and in each stitch around, slip stitch to join in the top of the first sc. (80 sc)

Row 2: Ch 2, hdc in same stitch and in each stitch around, slip stitch to join. (80 hdc)

Row 3: Ch 2, 2 hdc in the same stitch, 1 hdc in each of the next 9 stitches. *2 hdc in the next stitch, 1 hdc in each of the next 9 stitches.* Repeat from * to * around. Slip stitch to join. (88 hdc)

Row 4: Ch 2, 2 hdc in the same stitch, 1 hdc in each of the next 10 stitches. *2 hdc in the next stitch, 1 hdc in each of the next 10 stitches.* Repeat from * to * around. Join to top of first hdc. (96 hdc)

Row 5: Ch 2, 2 hdc in the same stitch, 1 hdc in each of the next 11 stitches. *2 hdc in the next stitch, 1 hdc in each of the next 11 stitches.* Repeat from * to * around. Join to top of first hdc. (104 hdc)

Row 6: Ch 2, 2 hdc in the same stitch, 1 hdc in each of the next 12 stitches. *2 hdc in the next stitch, 1 hdc in each of the next 12 stitches.* Repeat from * to * around. Join to top of first hdc. (112 hdc)

Rows 7-8: Ch 2, 1 hdc in each stitch around. (112 stitches) *Note this row MUST be a multiple of 8 stitches. If you see that you need to continue to increase, make sure that you only increase 8 stitches total per row.

Begin the Trellis:

The trellis is crocheted in the round, so when you come back to the first chain 3, you will continue the pattern into row 2 of the trellis.

Trellis Row 1: *Chain 3, skip 2 stitches, sc in the next stitch, chain 3, skip 2 stitches, 3 dc in the next stitch.* Repeat from * to * around. The last set of stitches in the first row of the trellis will be a chain 3. You will still have two stitches between the last sc and the beginning chain 3. Continue the pattern by crocheting 3 dc in the beginning chain 3.

From that point forward, continue with this pattern: *Chain 3, sc in the top of first dc in the next 3 dc cluster. Chain 3, 3 dc in the next chain 3 space. * Repeat from * to *.

Continue the spiral trellis pattern until your piece has 20-24 rows of trellis. If you would like, you can continue longer than this, but 20-24 rows will result in a piece that ends just below your elbows. End with a sc in the top of the first dc of a 3 dc cluster and a slip stitch in the second dc. Fasten off and weave in ends.
